DeMarcus Studmire

Birmingham, AL | (205) 821-7669 | d0529s@uab.edu | github.com/DevDem01 | linkedin.com/in/demarcuss

EDUCATION

University of Alabama at Birmingham (UAB) | B.A. Expected Dec 2027
Computer Science, Minor in Mathematics
GPA: 3.11| Relevant coursework: Data Structures & Algorithms, Object-Oriented Programming, Web Development

Lawson State Community College | A.S. General Studies Dec 2024
Dean's List: Fall 2023

TECHNICAL SKILLS

Languages: Python, Java, C++, SQL, HTML, CSS
Tools & Technologies: Git, GitHub, VS Code, Jupyter Notebook, Microsoft 365, Confluence
Core Skills: Troubleshooting, object-oriented programming, data structures, technical documentation, process analysis, automation testing

EXPERIENCE

Brasfield & Gorrie | Technology & Solutions Intern | Birmingham, AL Aug 2026 - Present

- Support the IT Project Management Office by documenting processes, gathering requirements, and maintaining project artifacts in Confluence.
- Research AI agents, tools, and reusable skills; present enterprise use cases and recommendations to Technology & Solutions stakeholders.
- Created a reusable AI skill and Python script to generate company reports and populate Word templates, reducing report preparation time from 30 to 10 minutes (67%).
- Communicate progress, findings, and next steps through project briefs, presentations, test cases, and status updates.

Papa John's | Assistant Manager | Birmingham, AL Sep 2023 - Present

- Coordinate team workflows and resolve operational issues in a fast-paced, customer-facing environment.
- Train and support employees, communicate standards, and execute action plans to meet service and quality targets.
- Adapt priorities during high-volume shifts while maintaining accountability, accuracy, and positive customer service.

TECHNICAL PROJECTS

Data Structures & Algorithms | Python and Java GitHub: DevDem01

- Implemented and analyzed sorting, searching, stacks, queues, hashing, trees, graph traversal, and shortest-path algorithms.
- Used Git and GitHub to organize source code, document solutions, and practice debugging and test-driven refinement.

Portfolio and Web Projects | HTML/CSS GitHub: DevDem01

- Built responsive, multi-page websites using semantic HTML, CSS styling, navigation, and working contact links.

CERTIFICATION & LEADERSHIP

IC3 Digital Literacy Certification - Global Standard 5 | Certiport / Pearson VUE | Aug 2023
UAB Mentorship Program | Participate in one-on-one career and professional-development mentoring.
